

Friends of the Kumeyaay

MISSION STATEMENT: To assist the City of Poway with providing educational opportunities for promoting an awareness and appreciation of the Kumeyaay culture through the preservation, exhibition, and interpretation of native artifacts, traditions and natural resources for the Poway community and future generations.

As a private, non-profit 501(c) 3 organization, membership dues are an important part of our funding support each year. Your Membership Benefits Include:

- **Being part of educating the public about local Native American Heritage**
- **Receive a personalized tour of the KIIC site and Education Center with a trained docent**
- **Be part of developing the KIIC Center**
- **Receive regular email KIIC news updates**
- **Receive invitations to member-only events**
- **Obtain discounts to the Center's special programs**
- **Participation in the Friends Volunteer Program**
- **You may take immediate tax deductions for your contributions**
- **Leave a legacy**

The Friends of the Kumeyaay are excited to be able to share the story of Poway's origins, the City's history and the culture of its first residents: the Kumeyaay people. To have you share in the mission brings life to the ancient story as it is retold each time to visiting school children and to of all ages on Saturdays.

Interpreting this unique site and expanding the Friend's educational program demands additional funding. We ask you to join the program through becoming a member, at whatever level you are able. In addition, we welcome your involvement as docents giving tours or explaining artifacts in the Center, as active gardeners, or as trail maintenance and habitat restoration volunteers.

***Climb on board and join the KIIC and be a part of
the Center's legacy!***
